

# COVID-19 ICD-9 & ICD-10 CODES

## Descriptions, Definitions and Rules

| ICD-9 Codes                                 | ICD-9 Description   | ICD-10 Codes                                 | ICD-10 Description   | Definition  | Rules   |
|---|---|--|--|---|---|
| 079.89                                      | Other specified viral infection   | B97.29                                       | Other coronavirus cause classified elsewhere   | Confirmed Covid-19  | Code for positive COVID-19 result prior to April 1, 2020  |
| 079.89                                      | Other specified viral infection   | U07.1  | COVID-19, virus identified (confirmed)   | Confirmed Covid-19  | For starting on April 1, 2020   |
| 079.89                                      | Other specified viral infection   | U07.2  | COVID-19, virus not available or unidentified (suspect)  | Suspected Covid-19  | For starting on April 1, 2020   |
| V71.83                                      | Observation and evaluation for suspected exposure to other biological agent               | Z03.818                                      | Possible exposure to COVID-19, but ruled out after evaluation                                  | Possible exposure to Covid-19 but ruled out after encounter         | Exposure but disease is ruled out   |
| V01.79                                      | Contact with or exposure to other viral diseases  | Z20.828                                      | Actual exposure to someone who is confirmed to have COVID-19                                   |   | Contact with and (suspected) exposure to other viral communicable diseases. Do not use this code if confirmed to have COVID-19. |
| <b>Conditions associated with COVID-19</b>  |   | <b>Conditions associated with COVID-19</b>   |  |   |   |
| 480.8                                       | Pneumonia due to other virus, NEC   | J12.89                                       | Other viral pneumonia  | secondary to COVID-19   | Code in addition to B97.29  |
| 466.0                                       | Acute Bronchitis  | J20.8  | Acute bronchitis due to other specified organisms  | Acute bronchitis secondary to COVID-19                              | Code in addition to B97.29  |
| 490   | Bronchitis, not specified as acute or chronic   | J40  | Bronchitis, not specified as acute or chronic  | Bronchitis not specified as acute or chronic, secondary to COVID-19 | Code in addition to B97.29  |
| 519.8                                       | Other diseases of respiratory system, NEC   | J22  | Unspecified acute lower respiratory infection  | Lower respiratory infection secondary to COVID-19                   | Code in addition to B97.29  |
| 519.8                                       | Other diseases of respiratory system, NEC   | J98.8  | Other specified respiratory disorders  | Respiratory infection, NOS secondary to COVID-19                    | Code in addition to B97.29  |
| 518.82                                      | Other pulmonary insufficiency, NEC  | J80  | ARDS ( Acute Respiratory Distress Syndrome)  | secondary to COVID-19   | Code in addition to B97.29  |
| <b>Signs/Symptoms</b>                       |   | <b>Signs/Symptoms</b>                        |  |   |   |
| 786.05                                      | Shortness of breath   | R06.02                                       | Shortness of breath  | currently experiencing SOB  | code if experiencing SOB but negative COVID-19 after lab evaluation or unable to confirm positive culture                       |
| 780.60                                      | Fever, unspecified  | R50.9  | Fever, NOS   | currently febrile   | code if experiencing fever but negative COVID-19 after lab evaluation or unable to confirm positive culture                     |
| 786.2                                       | Cough   | R05  | Cough  | currently presenting with cough                                     | code if experiencing cough but negative COVID-19 after lab evaluation or unable to confirm positive culture                     |
| <b>Additional ICD-9 codes for Reference</b> |   | <b>Additional ICD-10 codes for Reference</b> |  |   |   |
| 488.82                                      | Influenza due to identified novel influenza A virus with other respiratory manifestations | J09.X2                                       | Influenza due to identified novel influenza A virus with other respiratory manifestations      |   |   |
| 488.89                                      | Influenza due to identified novel influenza A virus with other manifestations             | J09.X3                                       | Influenza due to identified novel influenza A virus with other gastrointestinal manifestations |   |   |
| 488.89                                      | Influenza due to identified novel influenza A virus with other manifestations             | J09.X9                                       | Influenza due to identified novel influenza A virus with other manifestations                  |   |   |
| no code                                     | One Code could not be converted   | J10  | Influenza due to other identified influenza virus  |   |   |

# COVID-19 ICD-9 & ICD-10 CODES

## *Descriptions, Definitions and Rules*

| ICD-9 Codes | ICD-9 Description                               | ICD-10 Codes | ICD-10 Description   | Definition   | Rules |
|-------------|---|--------------|--|--|-------|
| 487.0       | Influenza with pneumonia                        | J10.00       | Influenza due to other identified influenza virus with pneumonia   | Influenza due to other identified influenza virus with unspecified type of pneumonia |       |
| 487.0       | Influenza with pneumonia                        | J10.01       | Influenza due to other identified influenza virus with the same other identified influenza virus pneumonia |  |       |
| 487.1       | Influenza with other respiratory manifestations | J10.1        | Influenza due to other identified influenza virus with other respiratory manifestations                    | Influenza due to other identified influenza virus with unspecified type of pneumonia |       |
| 487.8       | Influenza with other manifestations             | J10.2        | Influenza due to other identified influenza virus with other gastrointestinal manifestations               |  |       |
| no code     | One Code could not be converted                 | J10.8        | Influenza due to other identified influenza virus with other manifestations                                |  |       |
| 487.8       | Influenza with other manifestations             | J10.81       | Influenza due to other identified influenza virus with encephalopathy                                      |  |       |
| 487.8       | Influenza with other manifestations             | 10.82        | Influenza due to other identified influenza virus with myocarditis   |  |       |
| 487.8       | Influenza with other manifestations             | 10.83        | Influenza due to other identified influenza virus with otitis media  |  |       |
| 487.8       | Influenza with other manifestations             | 10.89        | Influenza due to other identified influenza virus with other manifestations                                |  |       |
| 487.0       | Influenza with pneumonia                        | J11.00       | Influenza due to unidentified influenza with unspecified pneumonia   |  |       |
| 487.0       | Influenza with pneumonia                        | J11.08       | Influenza due to unidentified influenza with specified pneumonia   |  |       |
| 487.1       | Influenza with other respiratory manifestations | J11.1        | Influenza due to unidentified influenza virus with other respiratory manifestations                        | Seasonal Influenza NOS with other respiratory manifestations                         |       |
| 487.8       | Influenza with other manifestations             | J11.2        | Influenza due to unidentified influenza virus with other gastrointestinal manifestations                   |  |       |
| no code     | One Code could not be converted                 | J11.8        | Influenza due to unidentified influenza virus with other manifestations                                    |  |       |
| 487.8       | Influenza with other manifestations             | J11.81       | Influenza due to unidentified influenza virus with encephalopathy  |  |       |
| 487.8       | Influenza with other manifestations             | J11.82       | Influenza due to unidentified influenza virus with myocarditis   |  |       |
| 487.8       | Influenza with other manifestations             | J11.83       | Influenza due to unidentified influenza virus with otitis media  |  |       |
| 487.8       | Influenza with other manifestations             | J11.89       | Influenza due to unidentified influenza virus with other manifestations                                    |  |       |
